

Request for Issuance of a Standard High School or Adult Standard Diploma

I, _____, am a former student of **Pioneer High School** and believe I have met the credit requirements to receive a Standard High School or an Adult Standard Diploma. Due to recent legislative changes, the High School Proficiency Exam (HSPE) is no longer a graduation requirement. Therefore, I am requesting **Pioneer High School** conduct a transcript review. Upon verification that I have satisfied the credit requirements to graduate, please issue me a Standard High School or an Adult Standard Diploma.

Thank you,
