MEDIA ADVISORY

Schoolchildren in Carson City to Celebrate Nevada Moves Day Wednesday

WHAT: Photographers and representatives from the news media are invited next Wednesday, March 15, to various Nevada Moves Day events. Schoolchildren joined by parents, teachers and administrators will take part in organized walks to promote walking or bicycling to school.

Nevada Moves Day is a statewide event started in 2010 by State of Nevada Safe Routes to School Coordinators. The day celebrates the fun and benefits of walking and bicycling to school. It also encourages K-8 students, school staff and families to get physically active. Since its inception, Nevada Moves Day has expanded to become more of a Nevada Moves Week (March 13 through March 17) to accommodate individual school schedules.
